**Design Name:** Wildflower Meadow **REF:** FRWILD02 **Colour:** SPRING BLUE

**Pattern Repeat:** 3m / approx. 3.3yds (Straight Match) **Roll Dimensions:** W: 140cm / approx. 55.12ins

**Substrate:** Non-woven (off-white)

## **Design Story**

A complex Indian embroidery was the starting point for this design. Reworking it into a panel, the painting began to resemble a wildflower meadow. The very one my father is so proud of in his garden. The yellow rattle suppresses the grasses, allowing for many different varieties of wildflower, Cornflower etc. A detailed eye catching pattern emerges.
